

# Ocean Palms Elementary Parent Teacher Organization

---

Dear Ocean Palms Families,

On behalf of the Ocean Palms Elementary (OPE) Parent Teacher Organization (PTO), welcome to the 2021-2022 school year!

My name is Jennifer Werba, and it is my pleasure to serve as your PTO President. I believe that the dedication and involvement of our parents, teachers, staff and community is what makes Ocean Palms such an amazing school.

This school year we will continue to work hard to accomplish our three-fold mission of: 1. Enhancing the educational environment through volunteer and financial resources, 2. Promoting communication between school administration, staff, parents, and students, and 3. Fostering pride in OPE throughout the community.

As a PTO we will continue to fund the school's software licenses (iReady Curriculum, Raz-Kids, Study Island and Brain Pop), laptops in an effort to reach our goal of 25 laptops for each 2 classrooms throughout the school, gifts cards for the staff and mini grants for teachers.

We also have an optimistic goal of raising additional money to upgrade the soccer & kickball fields, provide an irrigation system for the field, upgrade older playground equipment, purchase Lego STEM projects and install a chipping/putting green in an effort to provide additional PE and afterschool activities.

We cannot fund these projects without the help of our community business partners and you! We encourage you to join us and our Partners in Education to achieve these goals by purchasing a [PTO membership](#) and/or volunteering time if you are able.

In addition to your membership support, we hope that you can attend or support our Otter Run, Fall and Spring Family Nights, Book Fairs, TFW Family Workout Event and Otterpalooza, our Adult Spring Concert Fundraiser.

Please visit our PTO website at [OPEPTO.com](http://OPEPTO.com) for updates and "like" our [PTO Facebook page](#) so you will always be in the know of what is happening at Ocean Palms.

Thank you for the opportunity to serve you and our amazing school. Please consider showing your commitment to Ocean Palms Elementary by joining the PTO today.

Sincerely,

Jennifer Werba
